Warm up & Ride 2025

OUR COMMUNITY PARTNERS

The 500 Stephen Community Centre is proud to announce the receipt of a grant from the Morden Area Foundation to support a pilot project aimed at community transportation. This initiative will offer free ride vouchers to Many Hands and Regional Connections, assisting community members who lack access to a vehicle in navigating the area.

These vouchers will primarily be distributed by Regional Connections and Many Hands based on the specific needs identified among participants utilizing their programs and services.

The rides will facilitate access to community events, essential service appointments like case management and certain medical visits, in addition to local shopping opportunities.

By collaborating together, we can effectively address the various gaps within our community.

Coming Up At The Centre

FOSTERING KEY PROGRAMS

Community Grant Hub will be coming to the centre as a way for our Nonprofit Organizations and Community groups to find grants that can support further development of programs and services.

Stay tuned for our launch date!

A Community of Support!

HEARTS OF GRATITUDE!!

Did you know that 500 Stephen Community Centre exists because of community support?

We, like many of our partner organizations, rely on donations from our community to continue being a hub of resources and supports.

NEW BOARDROOM

HELP!

Due to such a high demand for our boardroom, we made a second one. This new space needs a lot of work. We would love to purchase a few rollable tables, some office chairs, and a storage cabinet.

If you want to help us design this space by donating, email info@500stephen.ca or follow the donation prompts above.
